Gabon

Overall Risk Score: **65**

Risk Level: **high**

This score is a composite of the four domain scores discussed below, which are weighted and combined to produce the overall country risk score. Each country is given a score from 1 to 100 for each domain and for the total bribery risk. A higher score indicates a higher risk of business bribery. Assessments of whether a given domain score is “good” or “poor” are made relative to all other jurisdictions within that domain.

1. **Business Interactions with Government**: Gabon receives a poor score of 71 in this domain, based on a very high degree of government interaction, a high expectation of bribes, and a high regulatory burden.

2. **Anti-bribery Deterrence and Enforcement**: Gabon receives a poor score of 74 in this domain, based on a low quality of anti-bribery dissuasion and a low quality of anti-bribery enforcement.

3. **Government and Civil Service Transparency**: Gabon receives a poor score of 70 in this domain, based on medium governmental transparency and poor transparency of financial interests.

4. **Capacity for Civil Society Oversight**: Gabon receives a medium score of 43 in this domain, based on a medium degree of media freedom/quality and a medium degree of civil society engagement.

TRACE Bribery Risk Typology:
**Authoritarian with limited territorial control**

This group is characterized by a lack of strong democracy and lack of effective law enforcement, along with limited control over certain parts of their territory.
