Estonia

Overall Risk Score: 18

Risk Level: very low

This score is a composite of the four domain scores discussed below, which are weighted and combined to produce the overall country risk score. Each country is given a score from 1 to 100 for each domain and for the total bribery risk. A higher score indicates a higher risk of business bribery. Assessments of whether a given domain score is “good” or “poor” are made relative to all other jurisdictions within that domain.

1. Business Interactions with Government: Estonia receives a very good score of 22 in this domain, based on a low degree of government interaction, a very low expectation of bribes, and a low regulatory burden.

2. Anti-bribery Deterrence and Enforcement: Estonia receives a good score of 19 in this domain, based on a high quality of anti-bribery dissuasion and a very high quality of anti-bribery enforcement.

3. Government and Civil Service Transparency: Estonia receives a very good score of 14 in this domain, based on very good governmental transparency and very good transparency of financial interests.

4. Capacity for Civil Society Oversight: Estonia receives a good score of 14 in this domain, based on a high degree of media freedom/quality and a high degree of civil society engagement.
