

# Georgia

**Overall Risk Score: 33**

**Risk Level: low**

This score is a composite of the four domain scores discussed below, which are weighted and combined to produce the overall country risk score. Each country is given a score from 1 to 100 for each domain and for the total bribery risk. A higher score indicates a higher risk of business bribery. Assessments of whether a given domain score is “good” or “poor” are made relative to all other jurisdictions within that domain.

1. **Business Interactions with Government:** Georgia receives a good score of 30 in this domain, based on a low degree of government interaction, a low expectation of bribes, and a low regulatory burden.
2. **Anti-bribery Deterrence and Enforcement:** Georgia receives a medium score of 41 in this domain, based on a high quality of anti-bribery dissuasion and a medium quality of anti-bribery enforcement.
3. **Government and Civil Service Transparency:** Georgia receives a good score of 34 in this domain, based on good governmental transparency and good transparency of financial interests.
4. **Capacity for Civil Society Oversight:** Georgia receives a good score of 30 in this domain, based on a high degree of media freedom/quality and a medium degree of civil society engagement.
