

# Mauritius

**Overall Risk Score: 45**

**Risk Level: medium**

This score is a composite of the four domain scores discussed below, which are weighted and combined to produce the overall country risk score. Each country is given a score from 1 to 100 for each domain and for the total bribery risk. A higher score indicates a higher risk of business bribery. Assessments of whether a given domain score is “good” or “poor” are made relative to all other jurisdictions within that domain.

1. **Business Interactions with Government:** Mauritius receives a medium score of 52 in this domain, based on a medium degree of government interaction, a medium expectation of bribes, and a medium regulatory burden.
2. **Anti-bribery Deterrence and Enforcement:** Mauritius receives a good score of 39 in this domain, based on a medium quality of anti-bribery dissuasion and a high quality of anti-bribery enforcement.
3. **Government and Civil Service Transparency:** Mauritius receives a medium score of 54 in this domain, based on medium governmental transparency and medium transparency of financial interests.
4. **Capacity for Civil Society Oversight:** Mauritius receives a good score of 27 in this domain, based on a high degree of media freedom/quality and a high degree of civil society engagement.
