Taiwan

Overall Risk Score: **25**

Risk Level: **Low**

This score is a composite of the four domain scores discussed below, which are weighted and combined to produce the overall country risk score. Each country is given a score from 1 to 100 for each domain and for the total bribery risk. A higher score indicates a higher risk of business bribery. Assessments of whether a given domain score is "good" or "poor" are made relative to all other jurisdictions within that domain.

1. **Business Interactions with Government**: Taiwan receives a good score of 31 in this domain, based on a low degree of government interaction and a low expectation of bribes.

2. **Anti-bribery Deterrence and Enforcement**: Taiwan receives a good score of 23 in this domain, based on a high quality of anti-bribery dissuasion and a very high quality of anti-bribery enforcement.

3. **Government and Civil Service Transparency**: Taiwan receives a good score of 26 in this domain, based on very good governmental transparency and good transparency of financial interests.

4. **Capacity for Civil Society Oversight**: Taiwan receives a good score of 13 in this domain, based on a high degree of media freedom/quality and a very high degree of civil society engagement.
